

What you need to know about our ski trip!!

1. Our first ski day is January 28th. The bus leaves the school about 8:45 and will return by 3:00 for students to catch their bus home. Our ski dates are January 28th, February 4th and February 17th.
2. Any student that is using their own equipment must bring it to the school before ski days. Ski equipment is not allowed on the regular school bus before/after school. Parents are responsible for transporting equipment to/from the school. Ski equipment is only allowed on the bus to/from Bridger Bowl.
3. Students who plan to stay and ski after the bus leaves MUST fill out the [PERMISSION TO STAY LATE GOOGLE FORM](#). Parents must be at the hill no later than 2:00 pm to sign your child out with an Amsterdam staff member.
4. If you will be driving your child to Bridger Bowl please email or call the office at least a day in advance so attendance can be accurate.
5. Students need to bring a lunch, a water bottle and snacks.
6. Students must wear warm, waterproof snow pants, coats, mittens or gloves, hats and socks. Face masks, neck warmers, and goggles are suggested. Be sure all of your child's belongings are labeled. Amsterdam School is not responsible for lost items.
7. Thank you to PAC (Parents of Amsterdam Children)! PAC is paying the entire cost of skiing this year!
8. Parents will be invoiced a **\$5.00 cancellation fee** if your child does not attend a ski day and you do not notify the school the student will be absent by 10:30 am the day before ski day. Bridger Bowl charges the school a \$5.00 cancellation fee for the rental equipment. There is also a \$5.00 fee to replace a lost Bridger Bowl Card. Parents will also be responsible for this fee.
9. If you did not sign up for a new Bridger Bowl card you must bring your card on ski days.
10. Most importantly, have fun!!
