

Hello Amsterdam families!

Santa Store is next week December 5-7. For those who are new to Amsterdam, the Santa Store is a place for the students to shop for their loved ones and surprise them with what they have chosen! We will have a variety of gifts for all ages and prices range from \$1-\$10 with most kids spending \$2-\$5 per gift. After the kids shop, we have a group of volunteers that will wrap their gifts. There has been a signup genius sent with spots for helping to shop and wrap.

In the next day or two, your child will be bringing home a letter with an envelope and paper attached. If your child is planning on shopping, please fill out the small paper with those they will be shopping for. We will use this so we know what to wrap for each person.

Please send cash or a check made out to PAC back in the envelope. We will send back any money not spent or you can check the box to donate what's left to PAC to help with other activities for the year.

Thank you for supporting the Santa Store! The students love shopping for you all!
