

Parents of Amsterdam Children: Booster Sponsorship 2025-2026

Parents of Amsterdam Children (PAC), was formed in 1996 for the purpose of raising funds to enhance the education and childhood experience for our children. Our objectives are to cultivate a positive learning environment, support the teachers and administrators, encourage active parental participation in school life, and take part in improving our facility. To help meet these objectives, PAC has added a newly designed program, the **PAC Booster Sponsorship**.

These sponsorship funds are used to help offset the costs that PAC incurs:

- Art Classes
- Supplemental Educational Opportunities
- Recreational Field Trips:
 - Skiing
 - Skating
 - Motion Athletics
- Bussing for Field Trips
- Missoula Children's Theater
- Large Scale Projects to benefit the students and our community directly
