Quarter 1 2025

WELCOME BACK!

Summer has flown by, and we are so excited to welcome everyone to the 2025-2026 school year! Our amazing group of parents that make up PAC have been meeting throughout the summer to plan and prepare for spectacular events that will be offered throughout the year. Keep a lookout for our updates!

PAC News

As we forecasted this year, we feel that we are close to our financial goal to finally purchase and install some new playground equipment! All funds we raise for this quarter will go towards the cost of installing the new equipment. One of our largest fundraisers for the year is the annual Climb-a-thon. This will be occurring in September. If your family is looking to donate to a fundraiser this year, we encourage you to support this event as **100%** of the donations go towards the school! PAC is a 501(c)(3) and all donations are tax deductible!

PAC is not simply a fundraising organization. Yes, one of our focuses is to raise money to support activities and events for the children that go beyond the classroom, but another priority is to foster the relationship of the Manhattan/Churchill community and our incredible school. In 2025/2026 you will see additional events added to the calendar that invite all to join!
